Hoping to join the Just Swimming team? We would love to hear from you!

## About Just Swimming:

Just Swimming comprises of 5 swim schools in Melbourne's Outer East and is proudly owned and operated by the Nunawading Swimming Club. Our ability to teach students from 4 months of age through to an international level of swimming via our swimming club is what sets us apart from the rest. Our teachers understand swimming. We love to teach stroke technique and water safety skills that our students can keep with them for life.

At Just Swimming, we see ourselves as one swim school with 5 locations. As one large team of teachers, we provide swimming and water safety lessons to more than 5,500 students each week and more than 10,000 school kids through our schools programs each year.

Our learn to swim program operates 14 swimming levels and caters for all ages and abilities. Staff are provided with regular in house training opportunities and many other opportunities to participate in further training to develop skills.
